Adrian Berry Team & Discipline Managers are selected from the current members of the Surrey CPSA committee, based on both their intrest and knowledge of the disciplines. Surrey County Championship Events The Discipline Manager is expected to attend the event and ensure that the Surrey County Competition runs smoothly, collect the county levy at the end of the event, write the event report for posting on the county website (including all the names and scores of the Surrey CPSA members that took part) They will also ensure, where possible, that both the winning Juniors and Colts receive their county medals at the end of the event. Should the appointed Discipline Manager be unable to attend the event, then they are expected to liaise for another Surrey CPSA committee member to attend and cover their duties. Regional Inter County Events (Excludes National Inter Counties events) The Team Managers duties will also include the selection of the team for that discipline for entry in the Regional Inter County championship and the notification of the team members to the Regional CPSA Secretary for inclusion in the event. The Team managers will also make sure that every team member receives their Surrey CPSA Team badge.
