Surrey Intercounties Team Selection This year we have put together the details of how the Surrey Intercounty Teams will be selected, this procedure will be used by the relevant Team Managers who will be responsible for the selecting the teams. Team managers email contact details can be located on the committee information page.

- You must be a current Full Surrey CPSCA member.
- You must take part in the Surrey County Championship in the discipline you wish to be considered for. (The only exceptions to this are if you are on International duty or unable to take part due to exceptional circumstances)
- You must inform the Discipline Team Manager of your wish to be considered for the County Team, this would involve giving them your contact details. Those competitors who meet the above criteria and finish in the first 3 places of a County Championship will be automatically offered a team place, the remaining 2 places will be allocated by the Team Manager, who will take into account the remaining scores, previous form etc. This will give Surrey the best chance of winning an Inter County Title. If one of the top three does not wish to take up the offer of a place in the team, the Team Manager will be left to find a replacement. The Veteran, Lady, Junior and Colt would, where possible, not be in this group of five. All teams to consist of five Seniors (Helice - four Seniors) (All Scores to count) 1 Lady, 1 Junior, 1 Colt, 1 Veteran. A Lady, Junior, Colt or Veteran can be in the Senior Team as well as in their various categories and can win the Championship overall together with their individual class badge.
